## From the President

I would like to congratulate the 12 U Express on a job well done representing Forest Hill Recreation Council in the Cal Ripken World Series. If anyone went out to any of the games, you saw a group of young men who played well together. I believe this team scored the most runs in the tournament of any Harford County Team so far. They played against domestic and international teams and showed true hospitality to all teams. I was given many compliments on how friendly and welcoming our boys were to all the teams.

Congratulations to Sean D'Adamo for winning a gold glove defensive player award for the tournament. I hope you all enjoyed your experience as it is a once in a lifetime memory that not many boys get to have. So once again CONGRATULATIONS to the 12U Express.

On a different note, our concession stand is in need of some help. At this time Jeanne Schultz and Lee Ann McComas have decided to step down as chairpeople for the concession stand. Both Lee Ann and Jeanne have put in many years chairing this committee and running our concession stand during both the Spring and Fall sports seasons. Even when they had no help, they would still open for the children even though neither one has had children participating in any sports program for many years. They will both be missed as they are invaluable to our rec council. If you see them in the community, please thank them for their many years of volunteering.

This brings us to needing a chairperson or persons to take over the concession stand committee. If we cannot find someone, we will have to shut down the concession stand which none of us wants to do. So please think about helping out. Please contact me at [dmrosas@verizon.net](mailto:dmrosas@verizon.net) if you are interested.

Jeanne Rosas, President  
Forest Hill Recreation Council

## Basketball

**Eric Reitz (Past Chair)**

THANK-YOU!!! It is with a heavy heart that I will be resigning my chair position this year. Nelson White, who ran the program prior, will be taking back the leadership role. I have had a wonderful time over the past 6 years seeing our area youth flourish in the basketball program. I so enjoyed going from gym to gym during practices and games, and witnessing the smiles, the team spirit, and sportsmanship from the players. I would like to thank all the great Age Group Directors and coaches, whom without, the program would not be as superior as it is. I would also like to thank Jeff Nengel, Don Yudiski and Dave Harding for their added leadership and sounding board as well. As with any program or team, everyone doesn't always see eye to eye, or believe in the same ideas, but we all believed in the mission and that the youth of our area, deserved the best we could give them. I will remain involved this year through registration and team selection and where needed. If you have never volunteered, I suggest you give it a try, as the silent rewards are outstanding.

Now onto the business at hand. I realize that School and Fall sports are just getting underway but it is that time of year to start thinking about Winter sports as well. With our program being as large as it is, we need time for registrations and evaluations so we can properly get our season underway. Last season was successful both on and off the courts with Mother Nature only interfering one time.

For those of you new to Basketball, we run from ages 5 (as of 12/31/11) through 18 (must be in highschool) for both boys and girls. For girls we only go to 13-16, but if you are 17 and still want to play, please contact us as we are looking to expand the program. We play in the various local schools and generally it is one practice night during the week and a game on Saturdays for ages 7-14. 15-18 plays only on Sundays with no practices and 5-6 has their time only on Saturdays. The most common questions are answered in our FAQ located on the Basketball website found at [www.foresthillrec.com](http://www.foresthillrec.com).

Travel Basketball- As with most sports, Basketball offers a travel program for those of you who want a more competitive environment. The travel teams stay mostly in Harford County with few exceptions traveling for tournaments. If interested in travel, just note the travel tryout dates posted on our website, and put it down on your registration. If you don't know just

yet, that's fine, just make sure you make the travel tryouts at that time.

Please get your registrations in early...sit down, fill it out now and send it in. We do fill up and late registrations require an additional \$10. I know that is not much, but we need to get enrolled as quickly as possible.

We have 4 walk in registrations scheduled and we need some volunteers to help with them. Please contact Deb Norcross at [debnorcross@verizon.net](mailto:debnorcross@verizon.net) to help.

As always you can download the form from the website and mail it in.

### **Evaluations**

~~Always check the website for the latest updates due to possible changes.~~

I would like to remind you how important it is to make the evaluations for your children. If you can not make your scheduled evaluation, please try and make another time for that age group first, and if you still can not make it, please try and attend another age groups evaluation. As with anything, if you could notify the Age Group Director or one of the other directors via an email or phone call that you will be missing your scheduled evaluation but attending another we would greatly appreciate it. All players playing in 9-10 and above, including those going out for Travel need to **attend the rec evaluations**. The evaluations help us in the team draft process. ~~There are no evaluations for the clinic and 7/8 programs.~~

### **Volunteers**

As with any program volunteers are greatly needed to help the program continue to progress. We need help in the registration process, evaluation process and coaches.

### **COACHES MEETING**

There will be a one time mandatory coaches meeting on Monday, September 24th at 7pm, at Churchville Rec Center. Please plan on attending if you have any interest in coaching.

Remember always check the Forest Hill Rec website for more info as we get closer.

I look forward to seeing you out on the courts

## **Baseball**

**Chris Benjes**

~~**THE 2012 SPRING BASEBALL SEASON**~~ ended in late June with the end-of-year tournaments and the annual all-star games. In the 9-10 Championship, the Orioles and Rays battled to a 4-2 finish with the Orioles coming out on top. In 11-12, the Rays beat the Angels for the 11-12 Rec Championship. For the All-Star Home-Run Derby on June 16<sup>th</sup>, official Cooperstown Bats were awarded as prizes to the players with the most home runs in the 7-8, 9-10, 11-12 and 13-15 age groups: Dylan Sanft, Evan Cassady, Wes Atteberry and Joey Ciufu. Congratulations to all on their fine performances.

~~**BASEBALL REGISTRATION**~~ for the 2013 season begins on January 1. See the calendar of events for information and details on [www.foresthillbaseball.com](http://www.foresthillbaseball.com). It will be here before you know it!

**THE 10U EXPRESS** took 2<sup>nd</sup> place in the Essex and HCYP Invitational Tournament, and advanced to 4<sup>th</sup> place in the Spring Classic Tournament. Congrats on a successful season.

**THE 11U EXPRESS** won their age group's Harford County Travel Championship by defeating the Bel Air Braves 12-2. Nice job, guys!

**THE 12U-A EXPRESS** also won their age group's Harford County Travel Championship by defeating Hickory two times in the double-elimination tournament to come out of the Loser's bracket and take the crown. As a result of their title, the 12U Express represented Harford County in the Cal Ripken World Series in August.

**THE 12U-B EXPRESS** made it to the BCML Final Championship Game and finished in second place for the year out of 12 teams. They also won the Essex Tournament Consolation Round.

**THE 13-15 FOREST HILL CUBS** won the Central Harford 13-15 Baseball League Championship this year. This league was comprised of 14 teams from Forest Hill, Bel Air, Hickory, Churchville and Emmorton rec councils. Congratulations to Coach Bruce Goldstein and his team for his second championship in as many seasons!

**THE 19U STORM** finished their short summer season with a 10-6 record, finishing in 6<sup>th</sup> place out of 15. This team-full of characters definitely had the most fun of any team in the league. Not too bad for a team that never practiced!

**FALL BASEBALL** is in full swing now as the summer sun fades into the colors of autumn. This year we have six teams in the North Harford Fall Baseball League and three teams in the Baltimore County Major League. Fall ball is a fun, non-competitive season where players prepare for next year by working on new skills and new positions. ## Special Thanks

A special thanks to all of the committee members for their support in running the concession stand. We couldn't do it without you. The future of the concession stand depends on the committee members and the support of the teams and family members. Please, please consider joining the committee in manning the concession stand. To coin a phrase, "We need YOU!"

On that note, Lee Ann McComas and I will not be returning for the 2013 season. Between the two of us, we have logged over 40 years of volunteering. I personally couldn't have done it without the support and dedication of Lee Ann. She has been there for the good, the bad; the ups, the downs; and everything in between. Lee Ann has given 100% and then some to the success of the concession stand. "Thank you Lee Ann for all that you have done. It's been a fun ride especially with you at my side."

- Jean Schultz
