MAIL-IN REGISTRATIONS must be received NO LATER than JANUARY 31, 2011. Forms are included in this newsletter and are

also available on the website now.

WALK-IN BASEBALL/SOFTBALL REGISTRATION will only be held on two Saturdays this year: January 8th and 15th from 11:00 A.M. until 2:00 P.M in the Activity Room at Forest Lakes Elementary School. Checks made out to FHRC and cash are accepted at the walk-in sessions.

2011 IN-HOUSE BASEBALL/SOFTBALL NEWS -- Monthly baseball/softball meetings started back in November, and are held on the second Monday of every month from November through April. The best way to get involved with Forest Hill baseball and softball is to come to the meetings and make a difference. We are constantly looking for new ways to make our programs fun for the players, coaches and parents, and we always have some special surprises in store. Remember to visit our website often, as there are new bits of important information added daily. Surf to www.foresthillbaseball.com for direct access into the baseball web page. Baseball families, be sure to subscribe to our baseball e-mailing list - http://lists.foresthillrec.com/mailman/listinfo/baseball_list - for up-to-date information and news.

5-6 BASEBALL/SOFTBALL -- The very successful 5-6 clinic's location and times are changing! We will meet and practice in the outfield of Field 1 at the Forest Hill Rec Complex on Saturdays at 9:00 A.M. starting April 2th. The new location will introduce new players and their families to our beautiful Complex and provide access to the concession stand and convenient restroom facilities. The 5-6 program runs through June 18th and ends with a pizza party and trophy presentation. Players are provided with matching hats and t-shirts. All the kids need to bring are baseball gloves, sneakers, and a water bottle, but many kids like to wear baseball pants and cleats, too. Participants must turn 5 before July 31, 2011. Names and phone numbers should be on all equipment!

We need lots of parents to help with the 5-6 program. Color Coaches, Station Coaches, Assistant Coaches, team parents, concession workers and field assistants are all necessary to make sure that over one hundred fifty 5 and 6 year-olds stay safe and have fun. Please contact Marty Strunkstein, 410-836-8495 and tell him you would like to help. No baseball/softball skills are necessary, and we provide coaches' clinics to help you make sure the kids are taught the "Forest Hill Way." Volunteering for the 5-6 Program is the best way to get involved in Forest Hill Baseball/Softball from the very beginning. Coaches in 5-6 very often move up through the program as their kids grow.

7-8 BASEBALL -- The 7-8 program breaks the teams into two

groups - a 7 year old group and an 8 year old group. Emphasis will be on the fundamentals of baseball, keeping the players moving, learning, and practicing their skills in preparation for the higher age groups through drills, practice and games. The goal of the 7 year-old group is to build on the skills learned in the 5-6 Baseball program last year through practices and educational ball games. The 8 year-old group will be preparing the players for the 9-10 program next year, emphasizing fundamental skills. Practices are held on Wednesday evenings and games are on Saturdays. Toward the end of the season, games are played on both Wednesday and Saturday. The season ends with a pizza party and trophy presentation in mid-June.

9-10 and 11-12 BASEBALL -- These age groups are where the game of baseball is played with umpires, live pitching, base-stealing, and all the excitement that baseball brings. Games are played twice per week, and the season ends with a league championship tournament. 11-12 Baseball features all of the rules from the major leagues including lead-offs, unlimited stealing, balks, and dropped-third strike rules.

13-15 BASEBALL -- Our 13-15 players participate in a combined league consisting of teams from the Bel Air, Forest Hill, and Hickory/Fountain Green baseball programs playing on 80' diamonds at home and away. Games are held on Sundays or Mondays and Wednesdays starting in mid April and running through June, ending with the all-star game and league championship.

HIGH SCHOOL BASEBALL (15-19) – New for this year, the Forest Hill High School Baseball Program will field several teams that will play on a 90' diamond this season, based on registrations and talent. These teams will play on Tuesday and Thursday evenings from mid-May through early July. Tryout/registration forms and fees will be accepted by mail or at the walk-in registration sessions listed above. Tryouts are in early-March and players must pay a fee at the time of registration. Checks will not be cashed until teams are selected and those not making a team will be refunded in full. Final cost to play is TBD based on number of games and other expenses. We will be fielding teams in both a 15-16 and a 17-19 division. Questions can be directed to Chris Benjes, 410-893-6456.

PLAYER EVALUATIONS and DRAFTS -- Players new to the FHRC baseball program, players without the previous year's evaluation, or players requesting to play up to the next age group must be evaluated to ensure proper placement. Any player requesting to move up must be evaluated in February. No Exceptions!! Details about playing in a different age group are available on the baseball web page. All players will be placed in

their final, designated age group as of March 5, 2011. In-house teams are selected in mid-March and players will be contacted by their managers before practice begins on April 1st.

BASEBALL NEW-PLAYER and PLAY-UP EVALUATION TIMES

– Players who request to play in a different age group and ALL PLAYERS who have registered for 9-10, 11-12 and 13-15 spring baseball who did NOT play for Forest Hill spring baseball in 2010 must be evaluated on February 19th at the Harford Sports Training Academy in Forest Hill. Here is the schedule:

Sat Feb 19 2011 at 4:00 PM sharp.

New 13-15 year-olds and 12 year-olds requesting 13-15:

New 11-12 year-olds and 10 year-olds requesting 11-12:

SIGN-UPS FOR TRAVEL BASEBALL TRYOUTS will be available at the two walk-in registration sessions in January. Players can also sign up for travel tryouts by sending an e-mail to baseball@foresthillbaseball.com. All players who sign up for travel tryouts must register and pay for in-house baseball before they can participate in the February tryouts. Please include the player's name, age, date of birth and phone number. A separate fee and in-house baseball participation is required for players who make a travel team.

BASEBALL TRAVEL TRYOUTS at the Harford Sports Training Academy in Forest Hill:

8U Age Group
February 12th and 13th from 12:00 – 2:00 PM

9U & 10U Age Groups

11U & 12U Age Groups

February 5th and 6th from 3:00 - 4:20 PM

14U & 15-16 Age Groups
February 5th and 6th from 4:30 – 6:00 PM

We ask all potential travel players to sign up in advance so we are better able to anticipate the turnout at the tryouts. Tryouts for age groups that show insufficient interest by January 31st will be cancelled and there will not be tryouts for a travel team in that age group.

The Forest Hill Express travel baseball teams will begin their seasons in late March and will play approximately 16 regular season games and participate in several tournaments through late June. As the annual treat for the Forest Hill 12U Express, they have been scheduled to play at the Cooperstown Dreams Park in New York during the week of July 9th. There is a separate financial commitment and a requirement for fundraising for all players who are on the 12U Travel team to help offset the tremendous expense of the Cooperstown trip. While this is a fantastic experience for the players, coaches and families, it is also well worth the financial and time commitments.

FOREST HILL will host portions of the Spring Classic and Summer Classic Baseball Tournaments, as well as the entire Forest Hill Frenzy Softball Tournament at our Complex. Teams from all over Maryland, including our own Express and Heat teams, will compete in these tournaments during the weekends of March 26-27, June 25-26 and July 16-17, respectively. This is a great fundraising opportunity for our travel programs and a great way to showcase our beautiful complex. Good games, great food, and memorable experiences highlight these tournaments every year.

FOREST HILL STORM -- The Forest Hill Storm is a full-time youth baseball program affiliated with the Baltimore-Metro Baseball League, the premier independent amateur baseball league in Maryland. This highly competitive program will consist of three Storm teams in 2011 – 12U, 13U and 15U. Teams were selected in the fall and will practice through the winter in preparation for the spring season. The Storm program is self-funded and plays an extensive schedule with home games at the Complex and Friends Park. Tryouts for the 2012 teams will occur late in the summer. For more information about our Metro baseball program, please contact Chris Benjes, 410-893-6456

UMPIRES -- The Forest Hill Baseball program is looking for youth umpires for evening games on Mondays, Thursdays, Fridays, and Saturday mornings in the spring and Sunday afternoons in the fall. Umpires must be at least 14 years of age by May 1, 2011 and must complete the free training program in March. All umpires are paid per game. If interested, please contact Chris Benjes, 410-893-6456, cbenjes@foresthillbaseball.com.

CONCESSION STAND -- Each baseball/softball team will be assigned a night for which they are responsible for working the concession stand with the help of a committee member. This is done for a variety of reasons, the biggest being that if we have no help we are forced to close the concession stand for that particular night. We are very pleased with how people want to help our programs, and appreciate the regular volunteers. The schedule will once again be posted in the Opening Day book.

OPENING DAY BOOKLET – Each year, Forest Hill Baseball/Softball publishes a full program booklet that lists the teams, players, coaches, umpires, schedules and other important information for the upcoming season. One thousand (1000) copies are handed out to our families that participate in the baseball and softball programs. This publication is paid for through reasonable-cost advertisements by local businesses that are interspersed through the book. If you would like to advertise your business in the Forest Hill Program, please contact Cynthia Courtney, courtneydesign@comcast.net. Rates vary based on size and location of ads.

BASEBALL/SOFTBALL MEETING SCHEDULE -- ALL ARE WELCOME! The monthly baseball/softball meetings are held on these Mondays in 2011: January 10, February 14, March 14 and April 11 starting at 7:30 P.M. in the Activity Room of Forest Lakes Elementary School. The best way to get involved with Forest Hill baseball and softball is to come to the meetings.

BASEBALL/SOFTBALL COACHES -- Volunteers requesting to manage or coach a baseball/softball team MUST complete a "MANAGER/COACH APPLICATION FORM" and have it approved. They should also attend the baseball/softball meetings. The meetings in January, February and March are mandatory for baseball managers. See the "MANAGER/COACH APPLICATION FORM" in this Newsletter. Managers for in-house teams will be announced in late January, so please get those forms in soon!

LEGAL WAIVER / CODE OF CONDUCT -- Forest Hill Baseball/Softball has instituted a Players/Parents Code of Conduct/Agreement that is strictly enforced. These documents can be found in this newsletter. Please remember to read and sign the legal waiver and return it with your registration. The agreement will be also available at walk-in registrations and is required for all registered players/families.

BASEBALL SPRING TRAINING CAMP -- Is your child ready for the 2011 season? They may be playing another sport now, or eating too many holiday goodies. Either way, it's time to get those baseball muscles moving. A key to having a successful 2011 season is being prepared. Spring Training 2011 is what the doctor ordered. Spring Training Camp is a benefit fundraiser for our 16-19 program and is designed for boys and girls ages 5-12 years, teaching good sportsmanship, throwing, fielding ground balls and fly balls, sliding, hitting and base running. Come and learn new baseball skills, slide on our sliding mats and learn how to field like a pro. All this and more in a fun recreation league atmosphere. Three sessions are held in the spacious Churchville Recreation Center on three Saturday evenings in March. All players receive a Camp T-shirt and a Certificate of Achievement. For questions, call Chris Benjes, 410-893-6456, cbenjes@comcast.net.

We have a limit of only 50 participants in this Camp, so please register early. Early-bird registration fee of \$60 for the Camp is due by February 25th. The fee is an additional \$10 for registrations received after February 25th. Absolute deadline is Wednesday March 2nd. See the "BASEBALL SPRING TRAINING CAMP REGISTRATION FORM" in this newsletter.

FALL BASEBALL -- If you are interested in being a Fall Ball manager or coach, complete a "Manager/Coach Application Form" and contact Chris Benjes, 410-893-6456, cbenjes@foresthillbaseball.com.

Forest Hill will be placing several teams into two different Fall baseball leagues in 2011. There will be several Forest Hill teams

in the 9-10, 11-12 and 13-15 age groups that participate in the Harford County Fall Baseball League (HCFBL). This is a rec-league program designed for players of all talent levels. No tryouts are necessary. The season runs from late August into November and all games are played on Sundays at the Complex and other Harford County baseball locations. In preparation for next year, participants will be placed in divisions based on what age group the child will play in spring 2012.

Early Registration for Forest Hill Fall Baseball in HCFBL runs from May 1-31. There will be a \$20 late fee assessed for all registrations after May 31. The absolute registration deadline for the HCFB is June 25th, after which the league will be closed. We will not accept any registration forms after this date so we can draft the teams and order their uniforms. Register early to save money and ensure your child's spot in the league. For Fall 2011, we are placing players who played for Forest Hill Spring Baseball first, provided they sign up before June 25. We have found that players who sign up late could be placed on a waiting list, and sometimes miss out on the chance to play baseball in the fall. Don't delay and make sure you sign up for fall baseball in early May. Watch the website for details.

We will also have tryouts for fall teams that will participate in the Baltimore County Major League (BCML) program. This is a higher level league similar to our spring travel program that involves some away-games in Baltimore and Harford Counties. Tryouts for these teams will be in mid-July. All BCML regular-season games are played on Sundays from mid-August through October. There is also a mid-season tournament in October with games on Saturday and Sunday. Because this is a more competitive league, age groups for teams in our Baltimore County Major League program are based on the age that the child played in spring 2011. We do not allow play-ups in this league. Fees will be determined as the season approaches.

Since the registration deadline for the Harford league is June 25th, players wishing to play fall baseball that are also planning to try out for a BCML team should make sure they first sign up for the HCFBL program by the deadline, and then attend the BCML tryouts. Doing so guarantees that the player will definitely play some form of fall baseball. Since players can not play in both leagues, fees paid for the Harford league will be transferred to the Baltimore County program for players that make a BCML team.

Players who wish to try out for a BCML Fall team must register and pay for Fall Rec baseball (NHFBL) before they will be considered for a BCML team. Players who are not registered will not be selected.

Registration information for both leagues will be available on the Forest Hill baseball web page starting in April. There are no refunds once a player is selected to a team.

Adult Baseball Program

BALTIMORE BOHSOX

2010 Roy Hobbs 28+ OPEN AAA "World Champions"

Chairman: Jerry Kalista

Forest Hill Recreation Council's (FHRC) adult baseball team, the **Baltimore Bohsox**, competes in the Harford County Adult Baseball League (HCABL). All their games are played at Harford Community College's Harford Sports Complex (formerly Thomas Run Park). The team's coaching staff is Scott Kalista (Head Coach), Jerry Kalista (Assistant Coach) and Dave Pitz (Assistant Coach).

The **Bohsox** 2010 season was very successful. For the eleventh time in the past thirteen seasons, they captured the regular season championship. They fell short of the end-of-season tournament championship, losing in the first round. However, the **Bohsox** have taken home the tournament championship nine of the last thirteen seasons. Also this year, the **Bohsox** entered the Gunpowder Fall Baseball League (GFBL) and finished in fourth place. The **Bohsox** traveled for the second year in a row to Fort Myers, Florida in October to compete in the week long Roy Hobbs 28+ OPEN tournament. After a slow start, the **Bohsox** got hot and won the rest of their games, defeating the #1 team from Germany (Red Barons) and beat the defending 2009 world champs, from the Dominican Republic (Dominican Red Sox) twice to go on and capture the ROY HOBBS 28+ OPEN AAA WORLD CHAMPIONSHIP!

Adult Slow-Pitch Softball

Chris Benjes / Cyndi Clark

This is a non-competitive slow-pitch league for players over 30 years old containing separate divisions for men and women. All levels of talents are welcome. Double-headers are played on Friday evenings from July through September. Registration for returning teams/players begins in mid-January and runs until mid-April. If the league does not fill up by April, registration then opens to any new players who get placed (first-come, first served) on teams that do not have full rosters. Please watch the Slow-Pitch Softball pages on the Forest Hill Rec website (www.foresthillrec.com) for details and registration forms. Contact Chris Benjes, 410-893-6456, cbenjes@foresthillbaseball.com or Cyndi Clark, 443-942-1341, cyndi_13838@msn.com for information.

Basketball

We are under way with our 2010-2011 season and, besides the proverbial bump, things are progressing well. Hopefully, old man winter and Jack Frost, let us have our Saturdays for playing basketball this year.

VOLUNTEERS

The basketball program could not be successful if it were not for the many volunteers, who are obviously too many to mention, but I would like to take the opportunity to mention a few who have been playing key roles in the success of the program. Jeff Nengel – Boys Director, and his age group directors, Chris White 7/8- boys, Eric Loftus 9/10 - boys, Deb Norcross – 11/12 boys, Rob Hosza 13/14- boys and Chris Obrien – 15/18 boys. On the girls side, JR Rhodes – Girls Director and his age group directors, Brian May – 7/8 girls, Barbara Ann McGrain 9/10 girls, Mark Ford – 11/12 girls, Chris Obrien – 13/16 girls and finally Dave Iampieri who is undertaking the 5-6 clinic group. On the travel side we

Dave Harding. I tip my hat to these folks as well as others who helped with registration and those who sign up to coach year in and year out. This program, as with many in our area, would be nothing without the volunteers who step up and offer their time. Please feel free to volunteer for our program or one of the others; there is always something that needs to be accomplished.

As the season progresses, please remember to be respectful of all the coaches and referees in our program. We are a youth program; stand up and show the best sportsmanship you can. Please think twice before possibly embarrassing yourself and your children. On the way home after the game, talk about things other than the game. Let your son or daughter have a break and run through the game in their own mind and talk about the game when you get home. Be positive to your children.

LOOKING AHEAD

I know next year is far away, but it seems more and more people are signing up late due to missing flyers sent home from schools, just to busy with back to school and running a family. If you have any type of calendar on your email or computer system, add basketball registrations as a September 1st reminder. That's about the time we will have registration info on the website, www.foreshillrec.com, and you can save yourself the late fee as well as the panic of possibly not being accepted from a waiting list.

Thanks again and have a great season.
